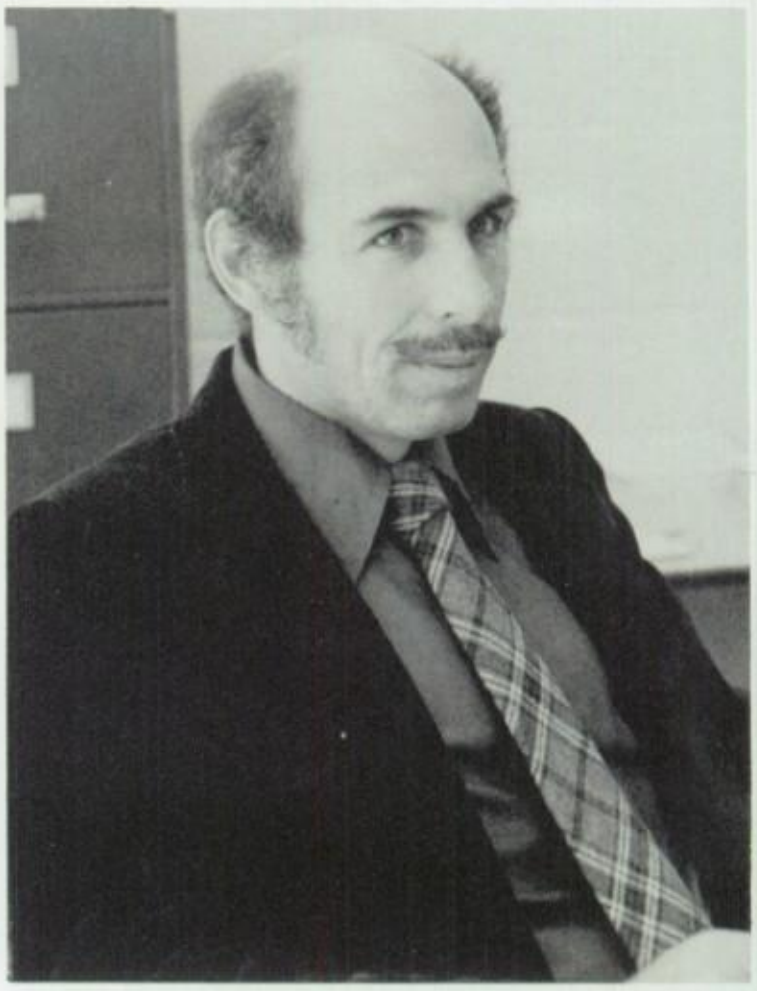
Vagabond 81-82

A Dedication For Dedication

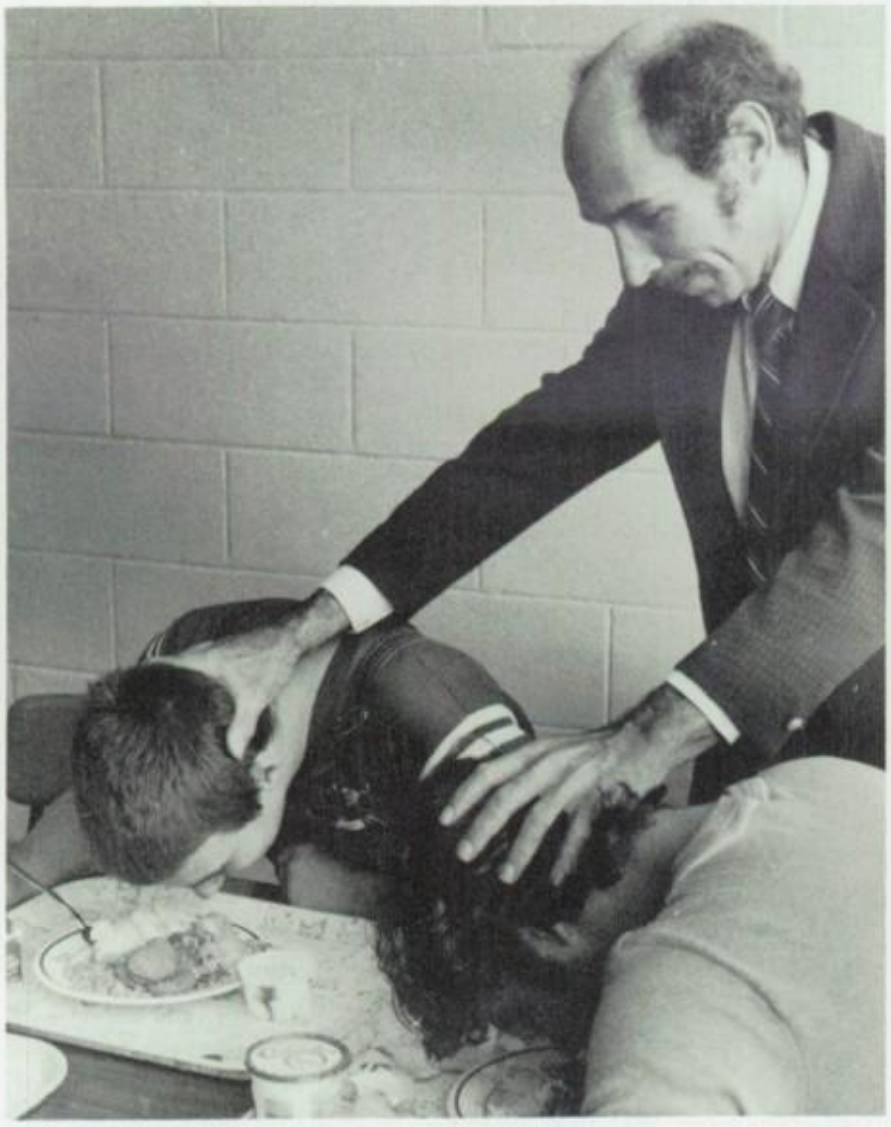
Mr. William R. Hunter



Mr. Hunter spent his high school years at Bethlehem Central in Delmar. He graduated with a bachelor's degree in English from Tufts, along with contributing to their football program. He received a Master's degree in English, a Master's degree in Curriculum and Instruction, and a Specialist's degree in Curriculum and Instruction from Albany State. His first position took him north to Whitehall to teach English and coach football and basketball. He then returned to Bethlehem Central as a Math and English teacher. He soon became a member of the Administration with the position of Assistant Principal.

When Mr. Hunter arrived at Hoosick Falls Central in 1979, he proved to be more than just a high school principal. He shows his dedication by caring not only for the students' academics, but also their outside activities and personal problems. His philosophy of life is "He climbs the highest who helps another up." He is continually helping many students on their way up. His neverending hard work, friendly attitude, and dry humor give him a special quality which we all admire.

The class of 82 requested this dedication in appreciation of the many hours he especially devoted to their class. It is with a great deal of pride the 1982 Vagabond is dedicated to Mr. William Hunter.



Is this the *only* way to keep order in the lunchroom?

A steadfast supporter of all athletics at our school, Mr. Hunter and Mr. Petersen watch in the rain as the hockey team takes another victory.

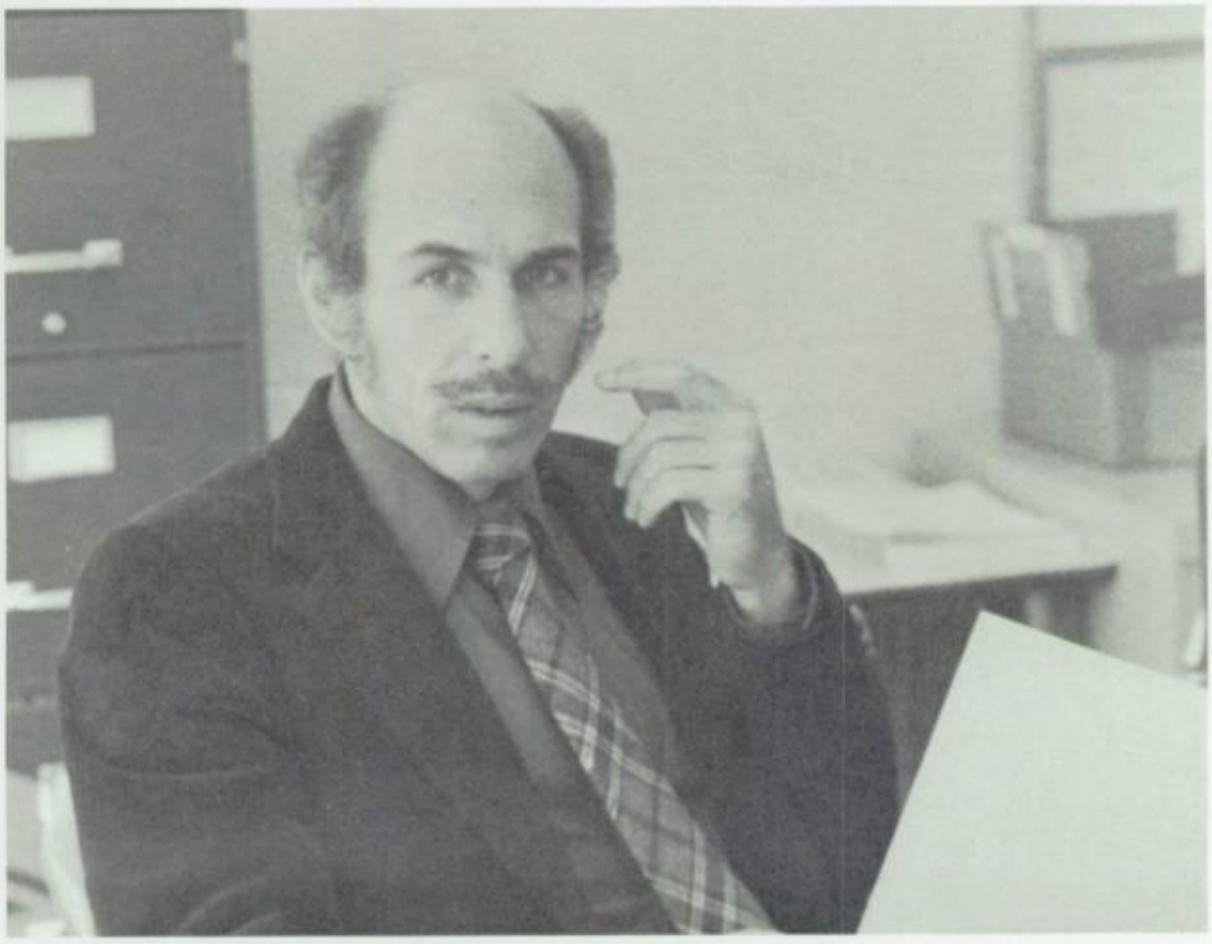
Mr. David Gee Superintendent

Mr. David Gee joined the Hoosick Fall school system on July 1, 1981. Mr. Gee, a native of Texas attended Columbia University and the University of Bridgeport. He has taught at all levels and was previously superintendent of the Whiteville Central School system in western New York. As superintendent, Mr. Gee is responsible to the students, the faculty, the board of education, and the community members. His goals are to enlarge the curriculum, affect an enrichment program for the teachers, keep in close communication with the community, and to maintain this school's high standards.

Mr. Gee's advice to seniors

Take stock in yourself. Review the last years in school and decide what was enjoyed. Plan early in life for the future. Don't wait until it's too late.



Mr. Hunter
High School
Principal

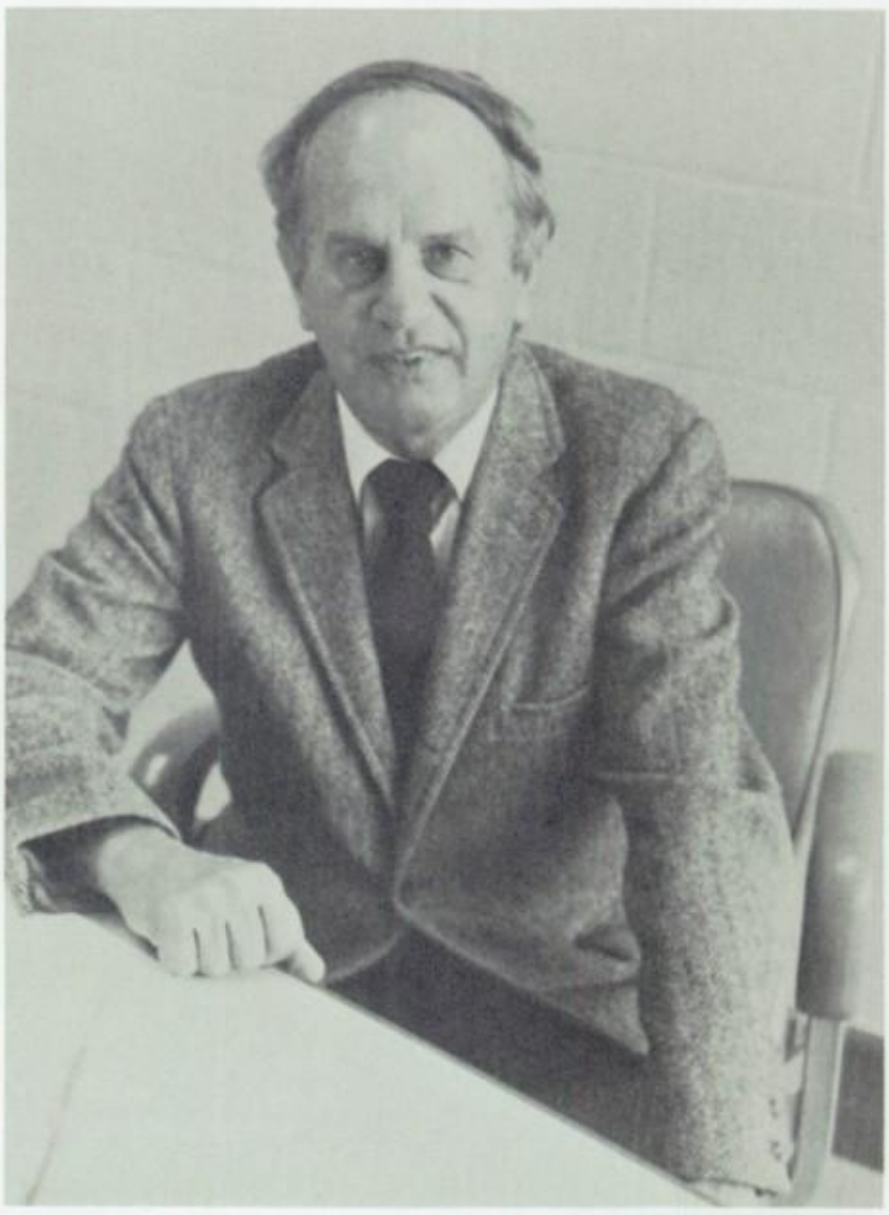
Mr. Hunter works very long days and many evenings keeping the high school in top operation. He creates the Master Schedule and schedules every student. He assists teachers with their classroom and extra-curricular activities. He helps students with every conceivable problem, recognizes students for high achievement, as well as disciplines students. Mr. Hunter serves as chaperone and site chairman for many athletic events, dances, concerts, and other events. His goal for Hoosick Falls Central is to give the students the best we can.

Mr. Hunter's advice to seniors.

Success is the result of perservance. Never stop trying.

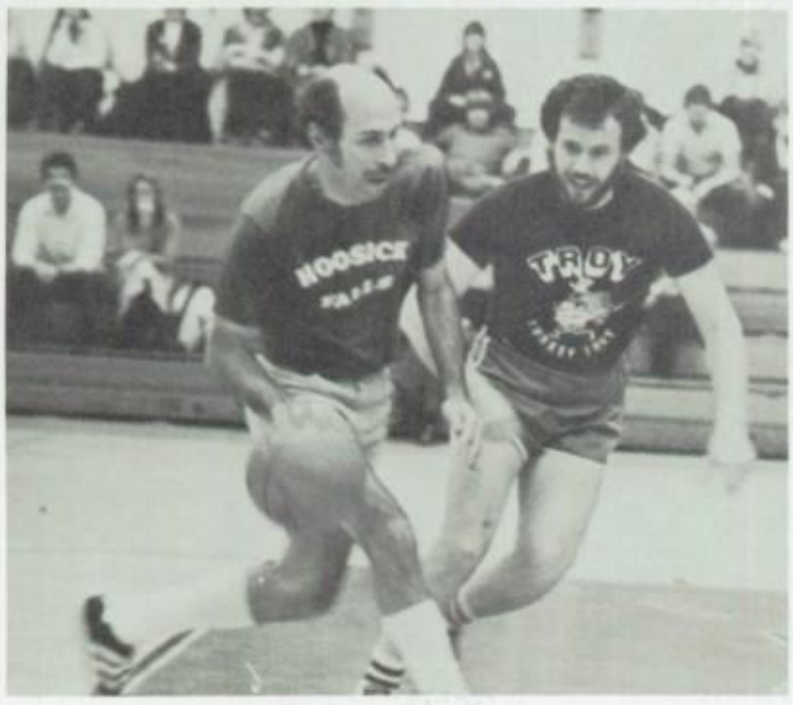
Mr. Stempek
Elementary
Principal

Mr. Stempek has been at H.F.C.S. since 1953. He first taught Junior High before becoming elementary principal in 1955. He believes we have a great school system to be proud of, with a student body that displays respect and appreciation. Mr. Stempek's goal for Hoosick Falls Central is to provide the best education possible in New York State.



But Mr. Leonard, what do I do when . . . .

Both Mr. Gee and Mr. Hunter proved to be awesome athletics at the faculty game against Cambridge. Above, Mr. Gee storms onto the court. Below, Mr. Hunter drives past Mr. Howard, the Cambridge principal.



As President of the Northern Adirondack Conference, Mr. Hunter proudly presents our Jeff Sherwin and Dan McMahon with the championship trophy.

Henderson E. Van Surdam 100 Years Young

To the community of Hoosick Falls and this school, the name of Henderson E. Van Surdam means something very special. Born in Hoosick Falls in 1881, Mr. Van Surdam is the oldest living member of the H.F.C.S. alumni. On September 26, 1981, village, town, and county officials proclaimed it "Harry Van Day" in honor of his 100th birthday. Mr. Van Surdam has done many interesting things throughout his long life. Among his numerous professions are band leader, music composer, cruise director, and most important, a football coach. He perfected the forward pass in 1906 and co-founded the Touchdown Club. He is the greatest fan of Panther football, attending every home game until his health prevented his attendance on Saturday afternoons. The Panthers always visit Mr. Van Surdam at the Health Center after every game to deliver the score in person and discuss the day's play, as they think of him as the "senior member" of the squad. We at H.F.C.S wish Mr. Van Surdam the best of luck and health for many more years to come, and thank him for setting the finest example of a Hoosick Falls student and athlete.

Hoosick Falls Mayor Donald Bogardus, Mr. Van Surdam, Health Center Director Mr. William Dooley

The entire town filled the park to celebrate Mr. Van Surdam's birthday, along with numerous county representatives. Mr. Gaillard, seated on the bandstand and the Junior Band provides the music.

"CELEBRATE GOOD TIMES . . ."

It's time for us to come together and remember when . . . parties, dances, togas, championship games, car washes, prom night, homework, the "successful" paperdrive, boring English, those "sociable" social classes, and the good laughs. From Windy Hill to Stewart's, we've celebrated good times and created lasting memories. The memories we carry with us in our hearts come from our friends. Knowledge has given us the confidence to dream, and with our dreams we move on to meet the challenges of our tomorrow.

Elementary

The education and experience of the elementary is not only a time of study, but also a time of creativity, new experiences, and competition. The students show their talents through plays and concerts, highlighted last year by the Medieval Pageant. A select few were able to explore new challenges through the Gifted and Talented classes, consisting of French, Logic, Human Biology, Creative Writing, and Aeronautics. Many creative art projects developed throughout the year, such as the model of Williamsburg, life size portraits, and the transformation of the classrooms into a medieval manor. The students first encounter competition in athletics through intramurals and the annual Field Day. There are class parties for the holidays, with that special visit from Old St. Nick. Field trips combine fun with education, going to the State Museum, Clark Art Institute, Shaker Museum, Ft. William Henry, WRGB/WGY station, Howe Caverns, Fairdale Farms, Merk Forest, Storytown, and the long awaited 6th gr. trip to New York City.

Panther Gridders Undefeated

A Perfect "10"

The Panthers captured the Northern Adirondack Conference Division I title, the NAC Super Bowl, and the Section II Division III crown on their way to a fantastic 10-0 record, the best ever in school history. The highlight of the year was an exciting and hard fought 19-11 win over powerful Granville. Not only were we the only one team to beat Granville, but we were the only team to score on them. Our remarkable season was capped off by an exhilarating 13-0 victory over Bishop Scully in the Sectional Championship game. Our team had many post season individual awards bestowed upon it. Eight players in twelve positions were named to the all NAC team, while three players were named to the All-Area team. H.F.C.S. also had the pleasure of having the Capital District scoring and passing champions. Most prestigious of all, Hoosick Falls was named "Team of the Year" on our area T.V. show *Capital Land Football Review*. After this imposing season filled with many incredible accomplishments, nobody can deny us the rank of #1!

A Quick Recovery

After starting the season with two losses, the JV team quickly recovered to finish the season with a 4-2-1 record. Monday afternoons found Matt Sherwin quarterbacking with Brett Miner and Vince Costantino leading the rush, and Joe Sherwin and Bill Chapones pounding on defense. The highlight of the year was a hard fought battle against massive Mechanicville. Several players frequently found themselves called upon to support the Varsity. Coach Guy Baker snd the rest of the coaching staff are indeed building solid players.

Super Cheerleaders To Match A Super Team

The Hoosick Falls Panther Cheerleaders provided the pep that helped to lead the H.F.C.S. players on to an undefeated season. They enjoyed only a few sunny afternoons, but rather endured through rain, mud, and cold and even a snow storm to maintain Panther spirit. They practiced long and hard hours and filled the school with colorful posters and made hoops for the team. The team and the fans certainly appreciated their efforts.

SECTION II CLASS B CHAMPIONS

For the third consecutive year, the varsity field hockey team has clinched the WASAREN league crown. An even more outstanding feat this year was the capture of the Class B Sectional title for the first time. With a league record of 13-1 and 13-3 overall, the Panther offense spanked in a total of 58 goals while the defense allowed only 10 to pass by. This awesome defense was able to post 13 shutouts in a total of 19 games. Leading Hoosick Falls in offense was junior Donna Fabiano with 17 goals, and seniors Patty Mahar with 14 and Terry Thorpe with 9. Patty N Mahar and Maureen Carknard each had 7 assists, while Lauren Petersen had 6. Although the squad is losing 9 seniors, upcoming JV players will provide a strong squad for next year.

The JV Field Hockey team finished off a fine season by clinching the Wasaren League title with a record of 9-1 league and 10-2 overall. After losing to Mt. Anthony in the first game of the season, these tough stickers gained revenge by edging MAU 1-0 in their second encounter, with Judy Luke the lone scorer. Freshman Tina Thomas led the Panther scorers by tallying 16 for the season while Sophomores Amy Frank and Maimon Said each added 9. Their outstanding offense totaled over fifty goals for the season while their stingy defense only allowed seven to pass. With many returning veterans, the 83 season looks very promising.

A Year Of Triumph And Disappointment

Returning 4 starters from last year,s Sect. II Class CC Championship basketball team, the 1981-82 team was expected to achieve a high quality of performance. The team did not disappoint its fans. Despite the fact that most of the team was involved in the football team's perfect season and therefore had limited pre-season practice, Hoosick Falls emerged as Co-Champions of the WASAREN League with a 13-1 league and 18-2 overall record. Highlights of the season included winning the Glens Falls Christmas Tournament, two victories over arch-rival Mt. Anthony, and an important late season win over Stillwater to earn the tie for the league championship. The first time the Panthers met Stillwater will long be remembered with anger and disbelief over the fouls that were called. Defending the Sect. II Class CC Championship proved difficult as Hoosick Falls had to overcome injury and illness to key players. The first game of the tournament was quite exciting with the Panthers winning by 1 point over Voorheesville in the last few seconds. Unfortunately, the team lost its bid to be Class CC Champions for the 3rd consecutive year when it was defeated in the semifinal game by Watervliet. The team was led by the play of seniors Dan McMahon, Frank Morandi, Phil Lanoue, Fred Salluzzo, Bill Harrison, and Noordin D Said.

Rob sinks two from the line.

After a slow start, the Panthers under Coach Wilson came on strong and captured first place in the league. Led by the scoring of Howie Dewey and Rob Sheffer with the rebounding of Rob Kowalik, they ended with a respectable 19-3 record. One of the most exciting gmaes was the dual between Stillwater at Stillwater where the Panthers edged them out. The Sophomores moving up to varsity next year should be a big plus to the squad.

The varsity wrestling team led by Coach Ken Baker with his assistant Coach Sutton had another exciting year. They completed the season with a record of 11 wins and 3 losses. They finished third in the league and the overall Class C. No doubt Granville appreciated the wrestling of their Sabo brothers, but H.F.S.C. also had a pair of brothers - Dennis and Brian Gardner, who scored many victories in the lower weight divisions. The highlight of the season was taking first place at the Spencer Van Etten Tournament. The Outstanding Wrestlers designated throughout the year were Mark Hunt, Shawn Marsh, Ed Hyde, Dave Sutton, Elon Baker, Brett Miner, Dennis Gardner, and Brian Gardner.

Girls Basketball Team Continues Success

Defending 1981 Section II Class CC Champions, the Hoosick Falls female Panthers dominated both League and Non-League opposition in amassing a 13-1 League and 17-1 overall record. The girls captured both the Wasaren League Championship and their own Holiday Tournament, defeating other league champions Berlin and Mechanicville in the process. In addition to winning the Holiday Tournament, season highlights included a defeat of arch-rival Tamarac and dual victories of over defending league champion Stillwater. The team was led by the play of Seniors Terry Thorpe, Sue Kelley, and the ballhandling and defense of Guard Maureen Martinez and the inside scoring and rebounding of Juniors Amy Loretan and Kelley LaCroix. Bench support came from Juniors Missy Jones, Kathy McMahon, and Joy Wysocki.

JV BASKETBALL TEAM UNDEFEATED

The JV team completed a perfect season, earning a 14-0 league and a 16-0 final season record. While no championships are offically awarded at the JV level, the girls dominated opposition in the Wasaren League. Led by the scoring and rebounding of Jennifer Sparks and Lauren Petersen and the ballhandling of Margi LaPorte and Mary McGuire, the JV girls worked hard to earn their record of perfection against all opponents.

The 1981 Panthers finished with a 12-6 record. They placed second in the tough WASAREN league. They made a roaring comeback in the second half of the season, but fell one game short of tying for the league title. A Team Building

The Track and Field team did very well considering very few upperclassmen participated. The team unfortunately never enjoyed the home field advantage because a lack of equipment prevented any home meets. Their overall record was 3-4-1, the one tie with Cambridge being a most unusual meet. Sue Kelley was league and sectional champ in the shotput. The most valuable team member was Jan Wysocki, with the most improved member being Lauren Petersen. Two school records were broken in the 1 mile and 2 mile relays, Next year will no doubt bring more victories with another year of experience for this team.

The Philip Leonard Chapter of the National Honor Society under the advisorship of Mrs. Margaret Frazier proudly inducted 17 members in 1981. New members included 3 seniors, 5 juniors, and 9 sophomores, bringing the total to 28 members. The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. Members are selected by a representative council from the faculty, based on the student's display of high standards of scholarship, service, leadership, and character. The candlelight induction ceremony was followed by a dinner coordinated by Mrs. Frazier. Honor Society members are active in the Volunteer Visitor Program for the elderly. Holiday favors were given to senior citizens, and lively caroling filled the Health Center at Christmas time.

Life in our Senior Band could be described as extremely busy, or even hectic at certain times. To accomplish all that is required of these students is demanding to say the least. Members attend three band rehearsals and one music lesson per week. Once again, as so many times in the past, the Band's diligence paid off at the Annual Spring Compettition Festival sponsored by the New York State School Music Association. The Band received an "A" rating in the most difficult performance level. This marks the 18th "A" rating they have recieved at this level in 21 years of participation. In addition to their achievement on the State level, the band also played a Chrismas Concert, a Spring Concert of symphonic music, and of course the delightful "Pops" Concert, which this year featured music by such groups as Fleetwood Mac and the Eagles. Several outdoor performances are were also on the agenda: Memorial Day parades in both Hoosick Falls and Hoosick, Flag Day, and finally Graduation. On this, the most important day of our school careers, the band includes a special piece which features the graduating band members. Individual band members were selected to participate in the All-County Senior Band, All- County Wind Ensemble, and the All-County Stage Band sponsored by the Rennselaer County School Music Association. Nearly 30 musicians from our band were designated. The band has a proven record of excellence, and this year's group was no exception. It is an organization of which Hoosick Falls Central can be proud.

Junior Band

Our Junior Band under the baton of Mr. William Gaillard is probably one of the most active Junior bands in our area. It serves as a source of entertainment for our community through its annual Christmas, Pops, and Spring concerts held at school; community concerts held at the Health Center and the Grange Hall, and many parades, including two local celebrations of Memorial Day and the Little League Opener. Last year the band joined the local Elks organization in celebration of Loyalty Day. The band traveled to Catskill for this event, and this year will travel to Greenwich. The 75 seventh and eighth grade students work hard for these events and will attend the New York State School Music Association Festival in East Greenbush for judging of its concert performance in May. Rewards for this hard work come in the form of special trips, such as the one in December to Radio City Music Hall for their Christmas show. Each spring a trip is scheduled for fun at Riverside Park. The Junior Band and Mr. Gaillard are known through the community for their giving of the joy of music to this town. This past September the Junior Band performed in the Harry Van SurDam parade in honor of his 100th birthday. An almost insurmountable task to prepare a parade band in five rehearsals, but it was done. Such is the nature of this fine organization.

Mr. C. Pedersen, *Director*

With spirited voices raised in song, the Hoosick Falls Central Senior Chorus performed a variety of musical numbers which included pop tunes and the new hits of the 1980's. The Chorus had an enjoyable year under the direction of Mr. Pedersen. They participated in the 1981-82 Christmas and Spring Concerts where new soloists were introduced. Numerous singers had the opportunity to participate in the All-County Senior Chorus" and the "Swing Chorus". The Senior Chorus appreciates the fine work Mr. Pedersen has done, and they welcome the underclassmen and wish them good luck and clear notes in the years to come.

Wrestling Pep Club

The Wrestling Pep Club has one basic purpose- to support our wrestlers. The girls have done this by doing such things as making hoops and posters, serving orange juice and cookies, selling various items to make money to send wrestlers to summer camp, the vital tasks of keeping book, clock, and score at matches, and most importantly, cheering the wrestlers on, even if things look grim. Under a new advisor, Mrs. Heimke, Wrestling Pep Club has had a few changes including new sweatshirts, a new point system, and new requirements for being in the club. With a total of 27 members this year, most of the girls will be back next year helping our wrestling team and our school in a beneficial way, with Coach Baker and the wrestlers greatly appreciating the effort.

Ski Club

During the winter on Wednesday nights a large group of H.F.C.S. students assemble at the park. However, the police don't have to worry about this crowd, for they are going to Willard Mountain. A trip is made four times a year for those in grades 7-12. Willard offers a good opportunity for skiing to both ski bunnies and hot doggers alike. This year skiing conditions were fairly good, and everyone enjoyed going. A special thanks to Mrs. Douglas, who supervises the club on her own time.

Winter Ball

Put it on *his* tab!

The Winter Ball was presented this year at the Paradise Restaurant by the Senior Class. The Ball was a time for happiness, enjoyment, and romance. Each of us saw fellow class members dress and act in a manner totally unfamiliar from the daily school life. Fine entertainment was provided by Whirlwind and Yvonne Eberle, who added a very personal touch to the evening with her beautiful voice. Many thanks are extended to Terri Bump, the general chairperson and the other committee members who worked so well to present an elegant evening.

Junior Prom: "Wonderful Tonight"

The Junior Class with their advisor Mrs. Heimke created a May evening of beauty and lasting memories. Hours of hard work, along with laughter, munchies, and ants went into the construction of the lighthouse, wharf, the intricate backdrops, and the presentation of the court. The Prom was long awaited by all, and finally that special night arrived with a lot of nervous and exciting thoughts inside of us. The evening began with dinners at various area restaurants. With an entrance down the wharf, couples entered *Wonderful Tonight*. Patty Mahar was crowned Queen by the 1980 Queen Lora DeLuca. The prom came to an end, but our wonderful night continued on . . .

IN SEARCH OF A NEW LOOK

Before work ever began on the 81-82 Vagabond, Mrs. Heimke and the yearbook staff were determined to create a lively and informative yearbook that would truly capture the people, the events, and the spirit of Hoosick Falls Central. We looked for new concepts to express the theme of *Celebration*. Through the hard efforts of many people the Senior section is in color for the first time. Mr. Hammond's Commercial Art Class produced several outstanding pieces of art. We are proud to include works by Loreen Hackett, Al Stevens, and a special recognition to Roger Weeden for our cover. Pictures came not only from our photography staff, but Mr. Andrick, Mr. Gary Miller, various community members, and the students themselves.

The yearbook came into being through the scattered efforts of a handful of students who preferred working on individual sections, leaving a skeleton crew to put it all together. Those few who spent so many hours on production should be proud of their work, with the finished copy bringing back many enjoyable hours along with frustrating ones. A yearbook is people; people captured at a particular moment in their lives. The more people involved, the better the yearbook will be. It is hoped that the following Vagabonds will improve.

A Delightful Musical

Fall at H.F.C.S. brings the annual musical with this year's production being *Oklahoma*. Lively songs, good acting, and a showcase of dancing were presented to highly entertained audiences. David Gilson started off the show by describing a beautiful morning in the Oklahoma territory in 1907 and then the story enfolded. A tangle of romances between Laurie and Curly, Will Parker and Ado Annie with the crazy actions of peddler Ali Hakim and the somber fate of Judd Fry were all watched over by the guiding hand of Aunt Eller. Yvonne Eberle's beautiful singing did indeed do justice to Rogers and Hammerstein's songs. The dream sequence ballet with April Barnhart and Kathleen Dougherty highlighted the numerous dance numbers choregraphed by Mrs. Chapman. Mr. Pedersen and all the singers, actors, dancers, and stage crew should proudly remember the fantastic production they gave to us.

Onions In The Stew

"Where Hearts Were High And Fortunes Low - And Onions In The Stew."

"I just *love* it here!"

The spring play centered on the MacDonald family who moved from their home in the city to an isolated island which resulted in many uproarious events. A house overflowing with unexpected company, a daughter having two dates in one evening, a power failure, and flooded bathroom were just some of the problems the MacDonald encountered. As the curtain closed on the final scene, this delightful and very different comedy joyfully presented by the Drama Club under the direction of Mr. Cal Pedersen, could only be described as LAUGHTER!

Memoriam

MRS. ANNE FOLGERT

Mrs. Anne Folgert taught kindergarten to many of the graduating seniors. Although she was taken from us too soon, her loving memory will remain with us forever. She was a kind and understanding lady who gave so many, so much of herself and touched many lives. Her work encompassed small children, teen-agers, and adults. She was not only a valuable teacher to many; she was a valuable friend to all.

Greg Sura was a kind, quiet, reliable person with understated actions and a dry sense of humor. His sudden tragic death affected us deeply. It made us sharply aware of the value of life.

GREG SURA

It's A Celebration!

"There's a party going on right here. A celebration to last throughout the year. So bring your good times and your laughter with you. We're gonna celebrate!"

Celebrate a year filled with much success - as a spirited school, as proud, hardworking classes, and as growing individuals. We have a great deal to reflect upon - a further awakening of knowledge, incredible athletic prowess, excellent performances in concerts and plays, individual achievements in a wide realm of areas, plus the love and companionship of friends. We must also remember the bad, for without it there can be no appreciation of the good. There will still be English and Social Studies classes, teachers, football games, class presidents, National Honor Society, baking in Home Ec classes, detentions, Class C play-offs, lockers that won't open, finals, dances, and Social Study Hall. But this year can never be again. It is hoped that this yearbook will bring some of it back in your memory.
